# Special Event Catering Packages

Our catering packages are designed to make your day as easy as possible. We know that celebrations are an exciting and busy time, so leave the guesswork up to us and simply enjoy your day!

Our handmade pizzas are made buffet-style for your guests to enjoy and will keep them coming back for more. We offer your guests a curated menu of your top four pizza flavors from our Catering Menu. We also provide all of the plates and napkins for the pizza buffet. Forks will also be provided with the addition of one of our salad options.

For Special Event catering, your guests would be eating from the buffet around the same starting time. An example would be a school luncheon for teachers.
