## 2024 Wedding Rehearsal & Reception Packages

Our catering packages are designed to make your day as easy as possible. We know that weddings are an exciting and busy time, so leave the guesswork up to us and simply enjoy your day!

Our handmade pizzas are made buffet-style for your guests to enjoy and will keep them coming back for more. We offer your guests a curated menu of your top three pizza flavors from our Catering Menu. We also provide all of the plates and napkins for the pizza buffet.

For Wedding catering, your guests would be eating at a rehearsal dinner or reception where the starting time would be the same for all guests. Guests would be dismissed by tables to stagger the buffet line.
